

## OUR AROMAS COMPOSITION

The cannabis aromas (cannabis terpenes profiles) of Cali Terpenes are from botanical origin, 100% pure, food grade, toxic-free and GMO-free.

## WHAT IS CBD?

CBD (or Cannabidiol) is one of the non-psychoactive components of cannabis and hemp.

CBD acts on our endocannabinoid system and stimulates the natural response of the body against stress or pain.

CBD contained in our E-liquids is produced under GMP standard, with approximately 99,8% purity.

## WHAT ARE E-LIQUIDS?

E-liquids, e-juice or vaping liquids are liquid mixtures intended to be vaporized in electronic cigarettes and the main objective of e-liquids is to offer an alternative to smokers, as it's proven to be 95% healthier than smoking.

## OUR E-LIQUIDS COMPOSITION

Our e-liquids are composed exclusively of propylene glycol (PG), vegetable glycerin (VG) and food grade cannabis aromas of botanical origin.

For its minimum vegetable glycerin content is the healthiest e-liquid on the market.

High quality formulation, in collaboration with the doctor Mariano Garcia de Palau.
